MEMORANDUM FOR THE RECORD

Morning Meeting of 21 October 1968

DD/I briefed on his Asian trip.

Godfrey advised that the Soviet ground units thought to be heading toward Berlin on their departure from Czechoslovakia have in fact returned to the Baltic Military District.

25X1

Godfrey noted that the White House requirement to collect all relevant Pueblo material has virtually been completed and will be dispatched to the White House after the DDCI's review.

D/ONE reported that NIE 11-3 went through the first round with representatives and is scheduled for USIB on Thursday.

25X1

Warner advised that he has delivered a copy of the Tofte opinion to the Director's office.

DD/S&T noted that over the weekend two Soviet satellites were put into orbit on the SS-9 booster and that the satellites are of a class, the purpose of which is unknown to us.

DD/S&T reported that Soviet ships are deploying for what would appear to be a manned orbital space shot.
